SENIOR PICTURES

It is that time of year to plan for your senior student's senior pictures. Below are some tips to assist both you and the yearbook staff with this process.

Senior pictures are **DUE DECEMBER 1st**. Pictures are taken by the photographer of the student's choice.

Seniors who do not turn in a picture will have their **Lifetouch** photo placed in the yearbook. This is the photo that was taken for school pictures- **NOT** the badge photo.

We encourage parents to have appointments made for senior pictures either during the summer or in the early fall to meet the **DECEMBER 1st** deadline to have the photo put in the yearbook.

Most photographers in the Topeka area will send pictures to the school, but if you are not sure- it is **YOUR RESPONSIBILITY** to check with your photographer.

Some of the local photographers include (these **are not** listed in a particular order)-

Harrington Photography	785-233-3827
LPerez Image Design	785-273-6900
Prairie Fire Images	785-249-9649
